**What's your favorite book quote?**

I really need your HELP!

My long awaited new product line is in the works and it's all based on book quotes. I have so many favorites it's impossible for me to decide on my top 10, so I'm asking your help. Which of the book quotes listed below is your favorite(s)? Or do you have one that's not on the list? I've left off the book title and author because if they're your favorite, of course you know who wrote it!

I did a quick list on Google that as easy as checking some checkboxes. Just click [here](#) to chose your favorites. Or if you prefer you can send me an email with your top 10 to [gloria@mybooklandia.com](mailto:gloria@mybooklandia.com) with the numbers of your favorites. It's totally your choice!

If I've left off your favorite you can add it on Google, or your email. Either way works for me. Thank you!

I'm really hoping you'll love what's in the works! By the way , it's small and wearable.

Here's the quotes:

- 3) Friendship is certainly the finest balm for the pangs of disappointed love.

- 9) The Very first moment I beheld him, my heart was irrevocably gone.

books, even the ones that are a little damp and musty. When I work with books I sometimes get a whiff of a wonderful smell like flowers. I don't know if that's just the aroma that comes off the pages, or if a reader scented their book with perfume and the antique fragrance comes through when I'm working with the book. I have no idea, but it sometimes sends me off in a daydream about who that long ago reader may have been.

"No matter how busy you may think you are, you must find time for reading, or surrender yourself to self-chosen ignorance."  
- Confucius
